Top Plastic Surgeons
2007, 2008, 2009

Thomas T. Jeneby M.D. is a Board Certified Plastic Surgeon with over 14 years of experience who performs advanced techniques in Plastic and Reconstructive surgery, and specializes in Adjustable Breast Implants, Smart Lipo Laser Lipo, Dot Therapy Facial Rejuvenation, Buttocks Implants/Lifts and Mini Face Lifts. Dr. Jeneby is a National Trainer for Lipotherme Smart Lipo-Laser Assisted Liposuction and DOT Therapy Laser Resurfacing and is an International speaker for Adjustable Breast Implants. Dr. Jeneby is a graduate from James Madison University with a B.S. in Biology. He then graduated from the Medical College of Virginia in the top 10% of his class and was also the AOA (Honor Society) President. He began his General/Plastic surgery combined residency at the Ivy League University of Pennsylvania where there were only 2 spots available per year. San Antonio became Dr. Jeneby's home in 2004 and he has been practicing Plastic Surgery for 8 years performing thousands of Cosmetic Surgery cases. Our office and Dr. Jeneby serve as a national training facility providing classes for medical professionals nationwide. Dr. Jeneby volunteers his time to local charities, military and the child protective services as well as the Battered Women's and Children's Shelter.
